2. Varsity Baseball Equipment Collection

Left-over or unused baseball/softball equipment will be collected at the High School cafeteria on Saturday, April 7, 2007. It will be donated to Boys and Girls clubs across the region.

3. Varsity Baseball Request

Baseball Boosters request funding for \$56.70 for the Xerox copies that were made to be distributed to the elementary schools for the equipment collection.

Motion approved.

4. Treasurer's Report

Current balance is \$12,450.00.

Still to be deducted: \$2,000 scholarships

\$2,500 varsity jackets

\$1,400 spring photo books

\$2,000 repair water main to football concession stand

5. Scholarship Committee

Scholarship committee has been formed. Applications are due April 27 and committee will meet after this to review the applications.

6. Trophy Case

Discussion about the state of the trophy case near the gym entrance. Don DiFelice noted that this is a high traffic area and vandalism occurs. The trophy case either needs to be cleaned up or we can look into having a new trophy case built.

Several members noted that this might be a good project for an Eagle Scout.

Debbie Webster and Deb Stephenson were going to look into this possibility.

7. Varsity Jackets

New jackets will be ordered in the new school year. Current Varsity players who already have the old style will be given the opportunity to purchase a new jacket.

8. New Business

Debbie Webster noted that the stipend given to the different sports to pay for paper goods etc for the end of the season banquets is not sufficient to cover the cost of these products. The committee voted to increase the stipend for all sports by \$25, starting in Fall 2007.

Meeting adjourned at 8:00pm
