AD's Report

- **Captains**

Dan will be meeting with all captains once a month.

- **Jackets**

Jackets have arrived and are ready to be handed out at banquets. Also available for previous letter winners. Contact Steve Derro, equipment manager. (\$25 ..made payable to PAA)

- **24 hour Spin Out Fundraiser**

To be held November 16th/17th Friday noon – Saturday noon.

If you still want to participate get your forms and money in.

- **Fundraising**

Concern raised about some of the fundraising done by coaches and others.

No fundraiser is mandatory, and student athletes should not be expected to raise a specific \$ amount.

As discussed in previous years, we request that anyone wishing to organize a

fundraising event complete a form(obtainable from AD) prior to the event.

In the case of raffles etc. a list of prize winners should be made public either at the school or in the local newspaper.

All coaches will be notified about fundraising guidelines.

- **Winter Sports Sign –Ups**

Wednesday, November 14

PAA Agenda

- **Winter Sports Book**

Fall book sales slow due to late printing. Books will be available for sale at banquets.

Team photo day preferably the first week of December, so that Janice can get the books out as soon as possible. Teams waiting for new uniforms will have photos taken in old uniforms.

Winter Book Cover – any student wishing to design the cover should submit their art work to the AD/Art Teacher

Will print 175 books.

- **Sports Sign ups**

Discussion as to whether sign ups should be held at night with all coaches present: all guide lines could be presented, monies paid and questions asked. Too late for winter sign ups but possible for Spring?

- **Concession Stand**

Outdoor concession stand will be cleaned and water shut off. Remaining items will be transferred to indoor concession stand.
Thank you Cathy Crawford!

- **Coke Machine**

Sales have been very slow. Hopefully they will pick up once basketball season starts.

- **Treasurer's Report**

Football concession stand profit down on last year.

Coke machine sales also down

Meeting Adjourned 8:15pm
