

School Year 2024-2025

Dear Parents, Friends, and Supporters of our Pentucket High School-Athletes,

Welcome to the 2024-2025 school year! As we begin a new school year with so much excitement surrounding our new School Building, and our new athletic fields, the Pentucket Athletic Association (PAA) looks forward to continuing to support our student-athletes, coaches, and the Pentucket High School/Middle School Communities.

For those families new to the high school, we would like to share some information about the PAA. It was founded 33 years ago in 1991 as a nonprofit volunteer parent organization that supports the athletic mission of the Pentucket Regional High School. **All parents who have a student that plays a sport at Pentucket are members of the PAA; there is no membership form and/or joining fee!** The main goals of the PAA are to raise funds and provide financial support to the Pentucket athletic program and the individual sport teams, to provide oversight and financial management to the 38+ sports team booster groups, and to foster and provide community service opportunities for our student-athletes.

In the last eight years, the PAA has:

- Awarded over \$22,000 in college scholarships to student-athletes heading off to college
- Helped purchase items for the athletic program and teams such as gym banners, scoreboards, tents, mats, helmets, batting cage, camera, shooting machine, football 'hud' machine, golf cart, ice machine, and much more for our student-athletes.

If you have the means to donate, please consider becoming a **Proud Parent Sponsor for the 2024-2025 school year**. Or, if you have your own business, please consider becoming a Business Sponsor. Your family or business name will be recognized on the PAA website and will go directly to funding the annual college scholarships that are awarded to graduating seniors in June.

Thank you in advance for your support! **Go Panthers!**
